CENTRAL INTELLIGENCE AGENCY

WASHINGTON, D. C. 20505

OFFICE OF THE DIRECTOR

18 November 1971

MEMORANDUM FOR: The Honorable William H. Sullivan
Deputy Assistant Secretary of State
for East Asian and Pacific Affairs

SUBJECT : The Proposed Paris Anti-War
Conference [REDACTED]

25X1

1. Mr. Cutler has called me with regard to our 9 November report on the 30 October meeting in Paris of the Executive Committee of the Stockholm Conference convened to discuss -- in concert with DRV delegates and representatives of other anti-war groups -- the feasibility of an international meeting against the Indochina war sometime between now and February 1972. Mr. Cutler indicated that there was some interest in the Department in making a demarche to the French Government with respect to the holding of any such conference in France.

2. [REDACTED]

25X1

[REDACTED] Nonetheless, in light of the other indications about plans for such a conference bubbling to the surface from various sources and given our desire to be as helpful as possible in this regard, we would have no objection to the Department or the Paris Embassy's drawing on this report in the preparation of any such demarche. We would naturally want things fuzzed up enough to protect our source from being pinpointed, but have no objection to his material being used in a worthy cause.
